at the Ranch

DE LEON, TEXAS

KAMAR RAINNEY CONQUEST - Lot 1

## Success Can Come To Those Who Will Follow The J. DOSS MILLER BREEDING PROGRAM

I first met J. Doss Miller in 1942, and this big-framed, husky Texan clearly indicated that one of his greatest loves was his large, registered Shorthorn herd which he had established in 1906. He had worked closely through the last 20 years with Frank Scofield & Sons, owners of Scofield Ranch at Austin, Texas. Many is the 1,000 miles J. Doss Miller and the Scofields have traveled in search of top breeding bulls. The Miller and Scofield show herds were always strong contenders throughout the major shows of the country. They purchased and used bulls together, two of these, both half-brothers, UPPERMILL COMRADE and UPPERMILL CONQUEROR, made great names for themselves and it was primarily through these two bulls that J. Doss Miller set up a line breeding program that was to result in much uniformity of type, conformation and color in his brood cow herd. He liked his Shorthorns to be thick, deep, big and roomy. He liked good doing ability and smoothness, and one of the bulls bred by him and selling in this sale, MISSIE'S U C MAJOR, was the top sire of the 1957-58 test at Aledo, Texas. Ten of his sons were in the top 20 in the 1958-59 tests, all breeds competing.

In the assembling of this sale material, I was fortunate in being able to work with Charlie Reeves who has been in charge of the Miller breeding herd for the past 16 years, and with Autrey Caraway, a close neighbor and friend of J. Doss Miller, who has been very helpful in preparing this herd for this dispersion sale.

Here's a brood cow herd whose members J. Doss Miller would not have sold for any price . . . now each and every one of them is yours for the bidding on Saturday, December 12th.

Sale starts at 11:00 a.m. at the Miller Ranch,

109 LOTS

14 Bulls	14 Bred Cows
58 Cows with calves at foot	14 Bred Heifers 9 Open Heifers

Here is one of the Southwest's best known Shorthorn herds, established by the late J. Doss Miller in 1906. The cow herd is in excellent condition with very few old cows left in it. All of the older cows and slow breeders have been culled.

The herd is strong in the blood of two great sires, UPPERMILL COMRADE and UPPERMILL CONQUEROR, both out of Crocus Celia, one of Scotland's greatest breeding cows and a daughter of the Perth supreme champion, Royal Rothes. There will be 24 daughters of these two bulls selling in this sale, and many granddaughters and great granddaughters, all line bred, in the blood of these two great sires.

The 14 bulls include KAMAR RAINY CONQUEST, an outstanding three-year-old purchased in the 1957 Scofield Ranch sale for \$2,650. His sire is the \$26,000 Cruggleton Rainey and his dam was the reserve champion female at Perth and also dam of the highest priced Shorthorn cow of modern times in America. This young bull was brought in as a complete outcross to this intensely and richly bred cow herd and he is really clicking. The other herd bull is MISSIE'S U C MAJOR, the greatest breeding son of Uppermill Comrade. He's a big bull with a world of scale and substance, and his Get were the top-gaining bulls of the 85 bulls tested, all breeds competing, in the 1957-1958 Aledo Bull Test.

Here's a sale worth waiting for if you want well-bred Shorthorn cattle with potent pedigrees and plenty of quality. Get your name on the mailing list by writing now to —

UPPERMILL CONQUEROR -- After using Uppermill Comrade with such great success, Scofield Ranch and J. Doss Miller purchased Uppermill Conqueror, an exceptionally deep-bodied, short-legged, heavy-boned, mellow fleshed bull to assist his maternal half brother. His sire is Bapton Upright, also the sire of the \$63,000, 1946 Perth supreme champion in Scotland that was purchased by Sni-A-Bar Farms. The wisdom of this selection was very evident in the 1952 Scofield Ranch sale when one of his first sons, Red Lady's Conqueror, sold for \$10,000 to Hawthorne Farms, Marshall, Virginia. Here again, is an opportunity to buy daughters of one of the greatest bulls ever used in the great southwest.

**CROCUS CELIA.** The greatest producing cow in the Uppermill herd. Not only is she the dam of our two herd bulls, but she is also the dam of Uppermill Charming, sold to the Argentine for \$8000, and two of the best young cows at Uppermill. She is a daughter of the Perth champion, Royal Rothes, and is out of a dam by Rosehaugh Mandarin.
